## **ARTICLE 1**

### **Recognition**

*Section 1.* The Employer recognizes the Union as the sole and exclusive bargaining representative for those employees of Woodbury County in the following bargaining unit, to-wit:

All employees of the Secondary Roads Department excluding county engineer, road supervisor, foreman, chief surveyor, temporary employees and part-time employees as hereinafter defined, any special status employee hired prior to July 1, 1976, all other employees of Woodbury County, and those employees excluded by Section 4 of the Act.

## **ARTICLE 2**

### **Intent and Purpose**

*Section 1.* The Employer, the Union, and the employees recognize and declare the necessity of providing the most efficient and highest quality services for the citizens and taxpayers of Woodbury County.

*Section 2.* The Employer, the Union, and the employees further recognize and declare their mutual desire to promote harmonious and cooperative relationships among the parties covered by this Agreement and to assure the effective and efficient operation of Woodbury County.

## **ARTICLE 3**

### **Definitions**

*Section 1.* A part-time employee is a student who is hired for a period of 20 hours per week, or less.

*Section 2.* A temporary employee is one who is hired for a period of 120 consecutive calendar days, or less.

*Section 3.* Part-time employees and temporary employees are not included within the bargaining unit, are not entitled to any of the benefits of this Agreement and shall not become regular employees unless they are first hired as permanent employees and thereafter successfully complete their probationary period.

*Section 4.* A permanent employee is one who is hired as a permanent employee rather than for a part-time or temporary period, or purpose.

*Section 5.* A probationary employee is one who has not completed 180 consecutive calendar days of continuous service as a permanent employee with the Employer. This probationary period shall begin to run from the first day of the employee's service as a permanent employee and may be extended by the Engineer, at his discretion, for an additional period of 90 consecutive calendar days. If an employee's probationary period is extended, the Engineer shall provide the employee with a written explanation of the reason(s) for the extension. Notwithstanding anything which is or appears to be to the contrary, a probationary employee shall be entitled to paid holidays occurring during his probationary period. After completion of his or her probationary period, a probationary employee shall accumulate sick leave and vacation and shall have his seniority date as of the date the employee started his or her employment.

*Section 6.* A regular employee is an employee, other than a temporary employee or a part-time employee, who has completed the probationary period.

*Section 7.* Except where the context clearly indicates otherwise, the word "employee" when used in this Agreement shall be limited to mean "regular" employee.

*Section 8.* "Act" shall mean the Iowa Public Employment Relations Act, as it may be amended from time to time.

#### **ARTICLE 4** **Management Rights**

*Section 1.* In addition to all powers, duties and rights of the Employer established by constitutional provision, statute, ordinance, charter or special act, the Union recognizes the powers, duties and rights which belong solely, exclusively, and without limitation to the Employer, to-wit:

- a) the right to manage the Employer's operations and to direct the working force;
- b) the right to hire employees;
- c) the right to maintain order and efficiency;
- d) the right to extend, maintain, curtail or terminate operations of the Employer;
- e) the right to determine the size and location of the Employer's operations and to determine the type and amount of equipment to be used;
- f) the right to assign work, the right to determine methods and material to be used, including the right to introduce new and improved methods or facilities and to change existing methods and facilities;

- g) the right to create, modify and terminate departments, job classifications and job duties;
- h) the right to transfer, promote and demote employees;
- i) the right to discipline, suspend and discharge employees for cause;
- j) the right to lay off;
- k) the right to determine the number and starting times of shifts, the number of hours and days in the workweek, hours of work, and the number of persons to be employed by the Employer at any time;
- l) the right to enforce and require employees to observe rules and regulations set forth by the Employer; provided, however, that these rights will not be used for the purpose of discriminating against any employee because of his membership or non-membership in the Union.

*Section 2.* The list of management rights set forth above is not exclusive and it is understood that except as specifically and expressly modified or limited by this Agreement, all of the rights, power, authority and prerogatives the Employer had prior to this Agreement are retained by and reserved to it and shall remain within its exclusive control.

## **ARTICLE 5**

### **Union Rights and Responsibilities**

*Section 1.* The Union recognizes its responsibilities as the exclusive bargaining agent of the employees within the bargaining unit, and realizes that in order to provide maximum opportunities for continuing employment and fair compensation, the Employer must be able to operate efficiently and at the lowest possible cost consistent with fair labor standards. The Union, therefore, agrees to cooperate in the attainment of the goals and agrees to the following, to-wit:

- a) that it will cooperate with the Employer and support its efforts to assure a full and fair day's work on the part of its employees;
- b) that it will actively combat absenteeism and any other practice which restricts efficient operations of the Employer; and
- c) that it will earnestly strive to improve and strengthen good will between and among the County and its employees, the Union, and the public.

*Section 2.* The Employer will not interfere with the right of its employees to become members of the Union. The Union will not interfere with the right of the employees to refrain from Union membership. There shall be no discrimination by the Employer or the Union because

of membership or non-membership in the Union. The Union agrees that neither it nor any of its officers or agents will engage in any Union activity which will interrupt or interfere with the operations of the Employer.

*Section 3.* For purposes of investigating pending grievances, a duly authorized representative of the Union shall have access to the Employer's premises during non-working time with the prior consent of the supervisor. The Employer will cooperate to facilitate such visitations, and the Union will not interfere with or interrupt the operations of the Employer or the work of the employees.

*Section 4.* The Employer will grant to any employee designated by the Union the reasonable and necessary time off, without pay, and without loss of seniority, to handle Union business, including attendance at Union meetings or conferences. It is agreed that not more than one (1) employee shall be so engaged at any one time. The Employer shall be given one (1) week's notice in advance of the beginning date and of the probable duration of such absences. The Employer will not discriminate against any such employee absenting himself for any of the above reasons.

## **ARTICLE 6**

### **Work Stoppage**

*Section 1.* The Employer agrees that during the term of this Agreement it will not engage in any lockout of its employees.

*Section 2.* The Union agrees that neither it nor its officers or agents will cause, authorize, induce, encourage, instigate, ratify, condone or participate in any work stoppage, strike, slowdown or illegal picketing, including a refusal to cross any picket line, or any other action which interrupts or interferes with the operations of the Employer.

*Section 3.* No employee shall cause, authorize, induce, encourage, instigate, ratify, condone, or participate in any work stoppage, strike, slowdown, or illegal picketing, including a refusal to cross any picket line, or any other action which interrupts or interferes with the operations of the Employer.

*Section 4.* In the event of a violation of any section above, all legal censures of the Act shall apply.

## **ARTICLE 7**

### **Check Off**

*Section 1.* The Employer will make monthly deductions from the wages of each employee covered by this Agreement if the employee provides the Employer with a written authorization therefor. The deductions will be for monthly Union dues and initiation fees in the amounts certified in such authorizations. The Employer will remit such moneys to the Secretary-Treasurer of the Union not later than the fifteenth (15th) day of the succeeding month.

*Section 2.* Any authorization may be revoked by an employee at any time upon thirty (30) days' written notice to the County and to the Union and shall automatically be canceled upon termination of employment.

*Section 3.* The Union agrees to indemnify and hold the Employer harmless against any claim or liability arising out of the operation of this Article.

## **ARTICLE 8**

### **Seniority**

*Section 1.* Seniority is defined as an employee's length of continuous service with the County from his most recent date of hire. Any length of service in a temporary position shall be included in the computation of seniority if the employment was contiguous to the appointment to a permanent position.

*Section 2.* The seniority records for employees shall be maintained by the Employer and shall be available to the Union upon request. Any protest as to the correctness of the list must be made in writing to the Employer within thirty (30) days.

*Section 3.* The seniority of an employee shall terminate if the employee quits for any reason, is discharged, fails to report within forty-eight (48) hours after notice of recall, or is laid off for a period exceeding twelve (12) months or the employee's seniority, whichever is lesser.

*Section 4.* An employee promoted from the bargaining unit shall retain but shall not continue to accrue seniority.

## **ARTICLE 9**

### **Procedures for Staff Reduction**

*Section 1.* For purposes of staff reduction, employees will be classified and laid off in accordance with their job classification. In the event that the Employer determines that employees will be laid off, the layoff shall be made within the job classification(s) which the employer has determined should be reduced and shall be made on the basis of seniority, with the least senior employee in the affected job classification(s) being laid off first. Employees who are to be laid off shall be given thirty (30) calendar days notice prior to the effective date of layoff. During the three year term of this contract, July 1, 2004 to June 30, 2007 non-management employees of the secondary roads department will not be subject to layoff or reduction in hours. (This special provision covering layoff and reduction in hours during this contract expires on June 30, 2007 and does not set any precedent for future negotiations.)

*Section 2.* Those employees to be laid off will be notified as soon as possible. Laid off employees shall advise the Employer of their current addresses during layoff. If the Employer desires to recall employees, such employees shall be recalled in the inverse order of layoff. Laid

off employees shall have recall rights for 365 calendar days from the effective date of their layoff.

*Section 3.* The Employer shall notify an employee of his/her recall in writing by certified mail to the employee's address on file in the office of the Human Resources Director. An employee's failure to report to work within five (5) calendar days, excluding Saturdays, Sundays, and holidays, after receipt of the recall letter shall result in the termination of the employee's recall rights.

## **ARTICLE 10**

### **Hours of Work**

*Section 1.* This Article is intended to set forth the normal workweek, but shall not be construed as a guarantee of any amount of work per day or per week or as a limitation of hours of work per day or per week. A workweek shall commence at midnight Sunday and continue to midnight the following Sunday.

*Section 2.* For all members of the bargaining unit except the Draftsman, the normal workweek shall consist of forty-two and one-half (42.5) hours per week, exclusive of unpaid lunch periods. The normal workweek for the Draftsman shall consist of forty (40) hours per week, exclusive of unpaid lunch periods.

*Section 3.* Employees will receive two (2) ten (10) minute breaks each day at times scheduled by the Employer. Employees will receive a thirty (30) minute unpaid lunch period at times scheduled by the Employer.

*Section 4.* It is understood and agreed that the determination of the daily and weekly work schedules may be changed by the Employer from time to time to meet the Employer's requirements. It is also understood and agreed that the Employer shall have the right in its determination of the daily and weekly work schedules to reduce, extend or maintain the hours of work for any employee, and employees shall be required to work as scheduled by the Employer.

*Section 5.* The Employer, although reserving to itself the right to change the starting and stopping times of the normal workday, agrees not to change such without first posting notice of such changes at least two (2) weeks prior to the day on which such changes are to become effective. Notice of such changes shall be posted in a conspicuous place in each of the Secondary Roads Department County Sheds located in Merville, Correctionville, Oto and Hornick.

## **ARTICLE 11**

### **Overtime**

*Section 1.* All work performed in excess of forty (40) hours per week or eight (8) hours per day shall be paid for at one and one-half (1-1/2) times the employee's regular hourly rate.

*Section 2.* All overtime work not specifically provided for herein shall be determined and must be authorized by the Engineer or his designee. An employee shall be required to work such overtime as the Employer requires.

*Section 3.* No employee shall be paid or otherwise compensated more than once for work performed, nor shall pay, compensation or benefits be pyramided.

*Section 4.* Overtime shall not be used to punish or reward employees.

*Section 5.* When employees are recalled to work outside of their regular scheduled hours or on a non-scheduled day, they shall receive a minimum of two (2) hours pay for each callout.

*Section 6.* Not later than July 1 of each year, each employee shall decide whether to receive compensatory time off or cash for overtime hours worked in excess of 42.5 hours in a workweek.

Employees who elect to receive compensatory time off for overtime hours worked in excess of 42.5 hours in a workweek shall receive compensatory time off on the basis of one and one-half (1-1/2) hours for each hour worked in excess of 42.5 hours subject to the following conditions:

- a) a maximum of 85 hours of compensatory time may be accrued and used in a contract year. At the discretion of the employee, hours worked on a holiday may be compensated with compensatory time off, and any time so compensated shall be included in the 85 hour maximum accumulation. It is understood that the eight hours of compensation for the holiday will be paid in wages and will not be compensated with compensatory time off. (Examples: Employee A works 8 hours on a holiday. Employee A will receive compensation for 8.5 hours in wages and may elect to receive 16 hours either in compensatory time off or in wages. Employee B works 12 hours on a holiday. Employee B will receive compensation for 8.5 hours in wages and may elect to receive 28 hours either in compensatory time off or in wages.)
- b) compensatory time must be used in minimum increments of 8.5 hours. Vacation may be combined with compensatory time to equal a full day's pay when an employee has less than a full eight and one-half hours of compensatory time.
- c) compensatory time off shall be scheduled by mutual agreement and shall only be used at times which do not unduly disrupt the Employer's operation, and
- d) accrued compensatory time which is not used by September 30 shall be paid in cash in the second pay period in October. For purposes of the initial implementation of this provision, compensatory time shall accrue during the period beginning on July 1, 1992 and ending on September 30, 1993. Thereafter,

the accrual period shall be October 1 to September 30. Survey crews shall accrue compensatory time from April 1 through March 31. Compensatory time accrued by survey crew employees which is not used by March 31 will be paid in cash in the second pay period in April.

Probationary employees shall be entitled to holiday pay for holidays occurring during their probationary period the same as regular employees.

*Section 2.* The Employer shall designate the day on which the holiday is to be observed except that if an aforementioned holiday falls on a Saturday, the preceding Friday will be observed as a holiday, and if any aforementioned holiday falls on a Sunday, the following Monday will be observed as the holiday.

*Section 3.* In order to be eligible for receiving holiday pay, an employee must report for work on the last scheduled workday before the holiday and on the first scheduled workday after the holiday. No employee who has been laid off, or discharged, or who is under suspension will be eligible for holiday pay. In case of an excused absence, the Engineer may waive the requirement of working before and after a holiday to qualify for holiday pay.

*Section 4.* Employees required to work on a holiday (whether scheduled or called in) shall receive holiday pay equal to their normal day's pay plus pay at double time the basic hourly rate for all hours worked on such holiday up to eight hours and triple time the basic hourly rate for all hours worked in excess of eight hours on such holiday.

To the extent the employee has accumulated sick leave, the employee may receive the difference between the Worker's Compensation benefits the employee receives while unable to work and the amount the employee would have been entitled

to as gross pay under this contract if the employee had been able to work.

*Section 2.* Regular employees shall accrue sick leave at the rate of .04615 hours per hour worked up to a maximum of ninety-six (96) hours per year. *Section 5.* To be eligible for sick leave payment, an employee shall notify the Employer as soon as possible but in any event prior to the starting time of the employee's workday. This notice may be waived if the Employer determines that the employee could not reasonably be expected to comply with this requirement because of circumstances beyond the control of the employee.

*Section 6.* No employee is entitled to compensation for unused sick leave time. Termination of service shall terminate any and all obligation of the Employer in connection with unused sick leave time.

*Section 7.* Sick leave may be used, to the extent it is available, for an on-the-job injury or disability. When Worker's Compensation is received, the employee shall have the option of being paid the difference between the amount of compensation and the employee's regular salary. C. Extended Family Leave

An employee may be granted up to 120 hours of family leave per contract year chargeable to accumulated sick leave when it is necessary for them to provide care for a spouse, child or parent with a serious health condition. The employee requesting family leave will be required provide a written statement of the reason family leave is needed and may be required to provide a physician's statement concerning the illness or injury of the spouse, child or parent. This leave shall be non-accumulative. If the leave is granted it may be treated as leave time under the Family Medical Leave Act. However, the Board of Supervisors shall not be bound by any of the terms, conditions or interpretations of the Family Medical Leave Act in deciding whether or not to grant the leave. The decision to grant or deny this leave is in the sole discretion of the Board of Supervisors or its designee. Any leave request which is going to be denied by the designee of the Board shall be presented to the Board of Supervisors and the employee will be invited to present his/her situation to the Board. ## **ARTICLE 19**

### **Adjustment of Grievances**

*Section 1.* A grievance is defined as a dispute between an employee and the Employer concerning the interpretation, application or violation of the express terms of this Agreement. Should an employee have a grievance, it shall be adjusted in the following manner:

Step One. An employee who claims a grievance shall present such grievance orally, with or without his steward, to his supervisor, within three (3) working days after the occurrence upon which the grievance is based. The supervisor shall give his oral answer to the grievance within three (3) working days after the grievance was presented to him.

Step Two. If the grievance is not settled in Step One it may be appealed by the employee and his steward within five (5) working days after the answer of the supervisor. The grievance shall be reduced to writing, signed by the aggrieved employee and the steward, and shall state the facts and the specific section of this Agreement alleged to have been violated, and the remedy or relief sought. The written grievance shall be promptly submitted to the County Engineer or his designated representative who shall give his answer in writing to the employee and steward within ten (10) working days after the grievance has been presented to him.

Step Three. If the grievance is not settled in Step Two it may be appealed to arbitration by the Union by written notice of a request for arbitration, submitted to the County Engineer within seven (7) calendar days after the receipt of the Employer's Step Two answer. Said written notice shall be signed by a representative of the Union, shall state the facts and the specific section of this Agreement which is to be considered by the arbitrator, and the remedy or relief sought. When a timely request has been made for arbitration, a representative of the Employer and a representative of the Union shall select a mutually agreeable arbitrator to hear and determine the grievance. If the representatives of the parties are unable to agree upon the selection of an arbitrator within ten (10) days of the Employer's receipt of the arbitration notice, the parties shall jointly request the Federal Mediation and Conciliation Service to submit a list of five (5) arbitrators. Upon receipt of the list, the parties' designated representatives shall determine by lot the order of elimination and thereafter each shall, in that order, alternately strike a name from the list, and the fifth and remaining person shall act as the arbitrator.

*Section 2.* The failure by an employee, the Union, or its representative to process a grievance within the applicable times specified above shall bar an employee, the Union, or its representative from further pursuit of the grievance, and any such grievance shall be considered as settled. The failure by the Employer to reply within the applicable times specified above shall be deemed a denial of the grievance which may then be appealed to the next step. The time limits specified above may be extended by mutual written agreement, and if extended, an answer will be given. If the time limits are not extended, the grievance will be deemed to be automatically denied.

*Section 3.* An arbitrator selected pursuant to the provisions of Step Three shall schedule a hearing on the grievance and, after hearing such evidence as the parties desire to present, shall render a written opinion and award. The arbitration hearing shall be scheduled not later than sixty (60) days following the date on which the request for arbitration was submitted to the Engineer. The arbitrator shall have no authority to hear or determine wage or fringe benefit adjustments, nor to add to, subtract from, modify or amend any terms of this Agreement. The arbitrator shall have no authority to substitute his discretion for that of the Employer in any matter reserved to the Employer by law or the terms of this Agreement. A decision of the arbitrator, within the scope of his authority, shall be final and binding upon the Employer, the Union, and the aggrieved employee(s). The arbitrator may not hear more than one grievance unless the presentation of more than one grievance is mutually agreed to by the Employer and the Union.

*Section 4.* The Employer and the Union will share equally any joint costs of the arbitration procedure, such as the fees and expenses of the arbitrator and the costs of a hearing room and transcript. Any other expenses shall be paid by the party incurring them.

## **ARTICLE 20**

### **Transfer Procedures**

*Section 1.* The Employer shall have the exclusive right to determine whether a vacancy exists. If the Employer determines that a vacancy exists, a notice of the vacancy shall be posted for at least ten (10) calendar days. The notice shall state the specific equipment which the applicant must be qualified to operate and the deadline for application, which shall be in writing.

*Section 2.* The Engineer shall review all applicants, and any applicant who does not meet the requirements of the job description for the vacancy or is not qualified to operate the equipment which is required to be operated shall not be considered for transfer.

*Section 3.* The Engineer shall consider the qualifications, ability to perform, and physical fitness of all applicants not excluded under Section 2, and if the applicants are considered to be equal based upon these factors, seniority shall govern.

## **ARTICLE 21**

### **General Conditions**

*Section 1.* This Agreement shall be construed under the laws of the State of Iowa. Whenever the context of this Agreement permits, the masculine gender includes the feminine, the singular number includes the plural, the reference to any party includes its agent, officials and employees.

*Section 2.* In the event any provision of this Agreement is held invalid by any court of competent jurisdiction, the said provision shall be considered separable and its invalidity shall not in any way affect the remaining provisions of this Agreement.

*Section 3.* Bargaining unit employees whose normal working hours are 8.5 hours per day shall receive the same compensation for vacation days, including unused vacation for employees who quit or retire, holidays, sick leave days and funeral leave days as they would receive for a regularly-worked 8.5 hour day. Other employees shall have pay computed on regular 8-hour days.

*Section 4.* The Union and the Employer acknowledge that during negotiations which resulted in this Agreement, each party had the opportunity to make demands and proposals with respect to all areas of collective bargaining, and that the whole understanding arrived at after the negotiations is set forth in this Agreement.

*Section 5.* The Employer shall post a copy of this Agreement in appropriate places in the offices and sheds.

**ARTICLE 22**  
**Effective Period**

*Section 1.* This Agreement shall be effective July 1, 2004, and shall continue through June 30, 2007.

*Section 2.* This entire Agreement shall continue in effect from year to year thereafter unless one of the parties seeks modification thereof. The party seeking modification of the Agreement shall cause a written notice to be served on the other party by September 15th of the year prior to the time when modification is desired. The notification in writing is jurisdictional.

IN WITNESS THEREOF, the parties hereto have caused this Agreement to be executed by their duly-authorized representatives this 30th day of March, 2004.

## **CONTRACT AMENDMENT**

On or about March 30, 2004, Woodbury County and the unionized members of the Woodbury County Secondary Roads Department, represented by the Communications Workers of America signed a three year contract covering July 1, 2004 to June 30, 2007.

The parties now want to amend that contract to add an additional year, July 1, 2007 to June 30, 2008 and to add Discipline and Discharge language to Article 19.

The following represents the entire amendment:

1. Article 19 will be amended by adding the following:

Section 5. The Union recognizes the right of the employer to suspend, discharge or take other appropriate disciplinary action for just cause. The employer agrees to use progressive discipline where appropriate.

The intention to take disciplinary action shall be reported to the Director of Human Resources prior to taking any action. The Director of the Human Resources shall inform the Union prior to any disciplinary action being taken. However, the employer may immediately suspend an employee with pay while an investigation is pending.

Any disciplinary action may be processed as a grievance through the grievance procedure. A grievance based on a suspension without pay or discharge shall begin with the second step of the grievance procedure. Grievances of all other disciplinary actions shall begin with the first step of the grievance procedure.

2. Appendix A will be amended by adding the following:
